The mission of the Michigan Association of Health Plans is to provide leadership for the promotion and advocacy of high quality, affordable, accessible health care for the citizens of Michigan.

By promoting wellness and prescribing effective and appropriate use of health care resources, the Association supports the efforts of other associations, organizations, businesses and individuals to contain health care costs.

As the voice for health plans in Michigan, the Association seeks to increase public awareness about plans' services, aims, efficiency, operations and health care delivery benefits. The Association facilitates communication among members and with the health care industry on issues of common concern, and maintains contact with health care association in other states and nationally.

The Michigan Association of Health Plans is a member of the American Health Insurance Plans (AHIP). AHIP represents more than 1,300 member organizations that provide health care for more than 200 million Americans nationwide.
