Michigan Association of Health Plans names Tiffany Stone as new policy director

Lansing, MI—Tiffany Stone has been named the new policy director at Michigan Association of Health Plans (MAHP) effective August 1. In this position, she will be responsible for developing MAHP positions on Michigan and federal Medicaid policy, rates and rules. She will also be charged with writing the association's annual Medicaid white paper, which highlights major program revisions and offers the association's recommendations for improvements.

Prior to joining MAHP, Stone managed government contracts at Molina Healthcare of Michigan, including Medicaid/MiChild state and federal compliance and regulation oversight. She also worked for HealthPlus of Michigan as the manager of Medicaid Services/Plan Liaison where she handled daily Medicaid operations for Medicaid, Plan Liaison, Healthy Michigan and MiChild products. Stone also was a departmental analyst for the state of Michigan.

"We are pleased to welcome Tiffany to our team, and know she will be an excellent addition as we work with state officials and our members to bring excellence to our state's award winning and highly efficient privately managed Medicaid program," said Dominick Pallone, deputy director of MAHP.

Stone earned her bachelor's degree in early education from University of Michigan-Flint and is currently pursuing a master's degree from Central Michigan University.

###

The Michigan Association of Health Plans (MAHP) is an industry voice for 14 health care plans, covering more than 2.5 million Michigan residents, and 50 businesses affiliated with the health care industry. MAHP facilitates communication among members, government, and the industry regarding health care issues of common concern. The mission of the Michigan Association of Health Plans is to provide leadership for the promotion and advocacy of high quality, affordable, accessible health care for the citizens of Michigan.
