Reflections on 2020 and A Look Forward to 2021

2020 has been a challenge unlike anyone has seen in the past. So, the Michigan Association of Health Plans (MAHP) very much appreciates the tremendous sponsorship support we received for our virtual conference in July 2020. We were all learning to live in and adapt to the virtual world, so we were especially heartened by your support and the participation of the more than 360 people who joined us for the conference and succeeding webinars—thank you!

As we move into 2021 with the advent of COVID-19 vaccine distribution and hopefully the beginning of the end of this pandemic, MAHP has decided to move forward with plans for a hybrid conference in 2021. We recognize both the hope of many to once again resume some sense of normalcy and the reality that there are some who still will not be able to join the conference in person for a variety of reasons. We also recognize there is always the possibility that we will need to remain in our virtual world a little longer.

To that end, we have designed Partnership Opportunities to accommodate both those who can join us in person, and those who cannot—along with consideration for a pivot back to a virtual-only conference again in 2021 if circumstances dictate. We plan to make that determination by April 2021.

We invite you to consider the variety of options we're offering and join us in whatever format best suits your needs in 2021.

Who attends the Summer Conference?

The conference provides a dedicated learning environment for more than 450 Michigan health insurance industry leaders, including presidents and CEOs, medical directors, pharmacy directors and quality improvement directors from our 11 member health plans. State government policy makers, medical professionals, administrators and public health officials also attend, including more than 50 MAHP-affiliated business partners.

What makes this Conference unique?

- The conference provides many opportunities for direct interaction with health plan members, including one-on-one meetings, discussions and social events.
- This is a family-friendly conference! Spouses, guests and children are welcome to attend the two evening receptions, with kid-friendly activities. In 2019, more than 100 spouses and guests and approximately 75 children of all ages joined us.
- While the virtual format in 2020 necessarily paused the Partner Showcase, we plan to continue it in 2021. The Partner Showcase offers partners the opportunity to present briefings on their products and services to the conference audience.

Exhibit Schedule

Governors CDEF, Lower Level, Grand Traverse Resort

If we are able to move forward with a hybrid format, we are planning for exhibits for those who can participate in person. The exhibit floor plan will be somewhat different to accommodate social distancing. The floor plan will be available for booth selection in spring 2021.

Overview of 2021 Partnership Opportunities

MAHP is planning to host the 2021 Summer Conference at the Grand Traverse Resort, with a virtual option. The Partnership opportunities have been designed for this hybrid format, but with the flexibility of pivoting to an all-virtual format if circumstances dictate. MAHP has expanded the Partnership benefits for each option, whether you participate in the live conference or virtually. The way in which you participate is completely up to you. (**Note:** The virtual portion of the conference will be an enhanced production, beyond the typical “Zoom” format.)

All Partners will receive the following benefits commensurate with the selected Partnership level:

- Acknowledgment in conference marketing materials and program book
- Listing, ad and materials on the conference app
- Ad in the Resource Directory (**Note:** As in 2020, the Directory will be available only on the conference app. It is no longer being printed.)
- Complimentary registrations for the live conference and virtual participation
- For partners at the \$5,000 and above level, the opportunity to provide a 10-minute presentation at the Partner Showcase, on a first-come-first-served basis
- Participant Directory provided twice before the conference and at the conference

Partnership Opportunities and Benefits

Please note the following:

- For Partnerships that include an exhibit booth, if you are unable to participate in the live conference, special signage will still be provided on-site and you will have the opportunity to provide materials to be distributed at the conference.
- Each Partner will receive a designated number of registrations for the live conference, plus additional ones for virtual participants. You may elect to use all of your registrations virtually if you cannot attend the live conference.
- Engagement messages are offered for certain Partnerships. This provides an opportunity to provide a targeted message to conference participants that will be sent on your behalf by MAHP between July 7-23, 2021.
- Contributions to the tote bag (to be provided at the live conference and later to virtual participants) are offered for certain Partnerships. This will include an item of your choosing that would be distributed by MAHP.
