The 2022 MAHP Summer Conference will be held in hybrid format. We will be in-person at the Grand Traverse Resort with a virtual option for those who can't attend. An innovative and fast-paced program has been designed to address the critical issues facing the health care industry. Don't miss the opportunity to join the Michigan health industry representatives at the 37th Annual Summer Conference.

CONFERENCE HIGHLIGHTS

- Conversations with key policymakers from key Michigan departments and the State Legislature
- Partner Showcase
- Featured sessions on health plan hot topics
- Implicit Bias Education session on Friday, July 15th. The program will meet the 2-hour requirement for initial implicit bias training for Michigan healthcare professionals.
- Options for prime and safe networking in both the live and virtual formats

WEDNESDAY, JULY 13TH KEYNOTE SPEAKER

Sarah Horst, Principal at Model. Methods. Mindset, LLC on Navigating Change with the Yes, And...Mindset

For more than 17 years, Sarah Horst has been supporting health care organizations to build change capability, improve performance, and design processes that achieve results. As a consultant, coach and practice facilitator, she's worked with leaders across the country to bring together both the science and art of change to their work. Successful improvement comes when we marry the technical aspects of change (process/methods) with the people side of change (relationships & mental models).

Ms. Horst holds a bachelor's degree in English from Carthage College and a master's degree in management from the College of St. Scholastica. Her master's work focused on applying the rules of improvisational theater (improv) to business.

She is also a PROCSI certified change management professional, a Certified Professional in Healthcare Quality (CPHQ) and holds a certificate in practice facilitation from the Minnesota Consortium for Practice Facilitation.

NOTE: For health and safety reasons, we may still have some capacity restrictions at the hotel. Therefore, everyone must be registered no later than July 6th; no walk-ins will be accepted. Also, we may not be able to accommodate guests (family members) at the receptions this year. Details will be provided in the registration site.

THURSDAY, JULY 14TH KEYNOTE SPEAKER

Jeffrey C. (Jeff) Bauer, PhD, FAANP, Health Futurist and Medical Economist on Forecasting the Future: Healthcare and Health Plans

Dr. Bauer is an internationally recognized health futurist and medical economist. As an independent industry thought leader, he forecasts the evolution of health care and develops practical approaches to improving the medical sector of the American economy. He is widely known for his proposals to create efficient, effective health care through multi-stakeholder partnerships and other initiatives focused in the private sector. He is a recognized authority on climate change's impact on health. Dr. Bauer has more than 300 publications on health care delivery.

As a consultant, he has assisted hundreds of provider, purchaser, and payer organizations with strategic planning and performance improvement initiatives. He served as Vice President for Health Care Forecasting and Strategy for ACS, a Xerox Company, from 1999 to 2010. His own consulting firm, The Bauer Group, specialized in consumer-focused strategic planning and clinical affiliation agreements for multi-hospital networks from 1984 to 1992. See more about Dr. Bauer at www.jeffbauerwords.com.
