# The 2025 MAHP Annual Conference: Returning Favorites and Exciting New Partnership Options!

Thank you to everyone who supported the 2024 conference. We had nearly 500 people in attendance and look forward to another amazing gathering in 2025, as we celebrate the 40th anniversary of the Annual Conference. We invite you to consider this wide variety of Partnerships and join us with the option that best suits your needs in 2025.

## Who attends the Annual Conference?

### From MAHP's Member health plans:

- Presidents and CEOs
- Medical Directors
- Pharmacy Directors
- Quality Improvement Directors

### From Michigan's health care industry:

- State Government Policy Makers
- Medical Professionals
- Administrators and Public Health Officials

### From National Healthcare Organizations

- Innovative products and services
- Healthcare industry experts

## Why is the MAHP Annual Conference Unique?

- Michigan's largest healthcare conference, bringing together healthcare payors, providers, partners, policy makers and the public to improve cost and quality of our health.
- Direct interaction and networking with health plan members, including one-on-one meetings and discussions, the returning VIP Reception, social events and the returning Reverse Networking Expo. (**Note:** The VIP Reception and Reverse Networking Expo are available for designated Partnership levels only.)
- This is a family-friendly conference—Spouses, guests and children are welcome to attend the 2 evening receptions, and the special Anniversary event with kid-friendly activities.

## Important Information About 2025 Partnership Opportunities

MAHP and the Conference Planning Committee have re-designed the Partnership options to better suit the changing needs of our Partners.

### All Partners will receive the following benefits commensurate with the selected Partnership level:

- Acknowledgment in conference marketing materials and program book.
- Listing on the conference registration site.
- Option for organizational listing in the Digital Resource Directory.
- Complimentary registration(s) for the conference.
- Participant Directory provided twice before the conference and once after the conference.
- Tote bag contributions for designated Partnerships will be of your choosing and distributed by MAHP.

### MAHP Member Organizations: Please note the following:

- MAHP Member Organizations qualify for a discounted fee for the Presenting, Diamond, Platinum, Gold and Silver Partnership options. To see if your organization is a current MAHP Member, go to: <https://www.mahp.org/about/#members>.
- **If you are not currently a MAHP member, you will need to apply for membership to qualify for the discount.** Contact Christine Sundell at [csundell@mahp.org](mailto:csundell@mahp.org) to learn more about becoming a member.

## Changes Coming in 2025

### Participant Directory:

- As in past years, registrants will be asked for permission to provide their contact information to Partners when they register. The Participant Directory provided to Partners will only include the names and contact information of those who give their permission.
- The Participant Directory is provided to Partners as a courtesy only for informational purposes to see who is attending and to reach out to an individual. **The Directory is not to be used for bulk/group email or marketing purposes.**

**Reverse Networking Expo:** The 20 slots for this event have been filled.

**New for Exhibitors:** If you qualify for and use an exhibit booth, please note the following changes.

- MAHP is introducing an interactive, real-time exhibit floor plan for booth selection. You will be able to see who has already selected their booth space. The floor plan will be available in the spring of 2025.
- To secure electricity at your booth, there will be an additional fee of \$55 added to your Partnership fee.
- An FAQ will be sent to all exhibitors with details on set-up and tear-down, shipping, exhibition hours, etc.

### Digital Resource Directory:

- In lieu of offering an ad in the digital Resource Directory, Partners are invited to submit organizational information to be included in the Directory.
- The link to submit information for the Directory will be sent in early June.
- The Directory will be available via a shared drive following the conference.
